

## IN MEMORY OF ISMAELLIL (MAILA) SAMUELS 1959 - 2021

Ismaellil Samuels son of the late Jalalodeen and Fatima Samuels was born on the 20<sup>th</sup> April, 1959.

He leaves behind a legacy namely his wife Mymona Salie Samuels, sons Junaid and Yaseen, daughter Fatima, grandchildren Nuhaa, Zayd and Mueez whom, we are sure, will carry on his equine legacy.

Died 16<sup>th</sup> August, 2021. Maila, as he was fondly known, grew up in the horse community of Cape Town and was part of many movements advocating for fair competition without the boundaries of race or religion. To him nothing else but the pony mattered. He dedicated his life to his family and sport and not a day went by that you didn't find him spending time with his

beloved ponies. He will always be remembered for his mischievous smile and laugh but also for the sternness he had when it came to his beliefs and integrity. He led by example demonstrating great leadership skills through compassion and equality. The lack of his presence in people's lives and homes is felt every day, he had a gift of making his presence known and was loved by so many.

A GENTLE GIANT. A MAN I AM PROUD TO HAVE KNOWN AND WHOM I'LL ALWAYS LOOK UP TO. May he be granted the Highest Abode. Condolence to his family, friends and fellow sportsmen, may we remember and honour Boeta Maila by carrying forth his legacy and leading by the example set by him.
